# Correction: How should the healthcare system support cancer survivors? Survivors' and health professionals' expectations and perception on comprehensive cancer survivorship care in Korea: a qualitative study

Su Jung Lee<sup>1</sup>, Dal-Lae Jin<sup>2,3</sup>, Young Ae Kim<sup>4</sup>, Hyun-Ju Seo<sup>5\*</sup> and Seok-Jun Yoon<sup>6,7\*</sup>

**Correction:** *BMC Cancer* 23, 1255 (2023)

<https://doi.org/10.1186/s12885-023-11736-y>

Following publication of the original article [1], the authors reported a missing grant number in the funding section of their article. The funding section should read as follows: The National Cancer Center of South Korea provided funding to support this work (**grant number: HA21C0206**); however, it had no role in the design and conduct of the study; collection, management, analysis,

and interpretation of the data; preparation, review, or approval of the manuscript; or decision to submit the manuscript for publication.

Published online: 02 January 2024
