## Erratum

After publication of the original article [1], the authors noticed an error in the Acknowledgements section. One of the supporting grants is missing. The correct version of the Acknowledgements section is included below:

### Acknowledgements

The study is part of a systematic analysis of attributable causes of cancer in Korea conducted by working group experts in collaboration with the National Cancer Center, Korea and the International Agency for Research on Cancer. This study was supported by a research grant from the National Cancer Center, Korea (NCC-0710160) and grants from the National R&D Program for Cancer Control, Ministry of Health, Welfare and Family affairs, Republic of Korea (1420190 and 0920010). We thank Mathieu Boniol from the International Prevention Research Institute, Lyon, France and Paolo Boffetta from the Tisch Cancer Institute, Mount Sinai School of Medicine, New York, United States of America for their help while they were working at the International Agency for Research on Cancer, Lyon, France.

Submit your next manuscript to BioMed Central and we will help you at every step:

- We accept pre-submission inquiries
- Our selector tool helps you to find the most relevant journal
- We provide round the clock customer support
- Convenient online submission
- Thorough peer review
- Inclusion in PubMed and all major indexing services
- Maximum visibility for your research

Submit your manuscript at
