BMC Cancer

CORRECTION Open Access

Correction to: Daphnane diterpenes inhibit the metastatic potential of B16F10 murine melanoma cells in vitro and in vivo

Myra O. Villareal[1,2], Yuki Sato[3], Kyoko Matsuyama[3] and Hiroko Isoda[1,2*]

Correction to: BMC Cancer (2018) 18:856
https://doi.org/10.1186/s12885-018-4693-y

Following publication of the original article [1], the authors reported that affiliation number 2 was incomplete. In this Correction, correct and incorrect affiliations are shown.

Incorrect affiliation:

Alliance for Research on North Africa (ARENA), University of Tsukuba, Tsukuba City 305–8572, Japan.

Correct affiliation:

Alliance for Research on the Mediterranean and North Africa (ARENA), University of Tsukuba, Tsukuba City 305–8572, Japan.

In addition, caption "*Statistically significant ($P \leq 0.05$) difference between treated cells and control" was deleted from Figs. 3 and 4 in the original article.
