Correction to: The efficacy of etanercept as anti-breast cancer treatment is attenuated by residing macrophages

Elnaz Shirmohammadi¹, Seyed-Esmaeil Sadat Ebrahimi¹, Amir Farshchi² and Mona Salimi^{3*}

Correction to: *BMC Cancer* 20, 836 (2020)
<https://doi.org/10.1186/s12885-020-07228-y>

Following publication of the original article [1], the authors report the following errors in their article:

- 1 In the Background section, the last sentence of the first paragraph has been corrected to the following: The secreted factors reprogram the surrounding stroma with the aim of neutralizing the impact of various *inducers* disrupting the survival of the cancer cells. It was originally published as: The secreted factors reprogram the surrounding stroma with the aim of neutralizing the impact of various *intruders* disrupting the survival of the cancer cells.
2. Figure 1 legend is incorrect. $***P < 0.001$ (not 0.0001)
3. Figure 2 legend is incorrect. $***P < 0.001$ (not 0.0001)
4. Updated Fig. 3 and Fig. 4 are published in this correction article.
5. Figure 5 legend is incorrect. $***P < 0.001$ (not 0.0001)
